NARRATIVE

On 06-11-17 at 2316 hrs. I, Detective Sergeant Gene Moore was notified by Lt. Geis that I was needed for an Officer involved shooting involving an incident with the Champaign Police Department. Upon arrival at UIPD I was informed that Officer Elston had arrested [REDACTED] for impersonating a police officer and assault at [REDACTED]. Based on the missing person report and the report of a white male claiming to be an undercover police officer to lure another female into his car, we went to the Champaign County Jail to interview [REDACTED].

At 0059 hrs. Det. Stiverson and I interviewed [REDACTED] and ultimately determined he was not involved in this case. The interview will be documented in incident report I17-780.

On 06-12-17 at approx. 0400 hrs. Det. Stiverson and I returned to UIPD.
MOORE, CECIL officer's initials _____ approved _____ (II1700767 - #A1706793)

Telecommunicator Kenny Costa informed us he had found Milestone Security video of the victim, Yingying Zhang at the MTD bus stop on the Southeast corner of Clark St. and Goodwin Ave, Urbana, IL. The video showed Yingying getting into a black 4-door hatchback before leaving north bound across University Ave. on 06/09/2017 at 1404 hrs. TC Costa informed us that UIPD Officers had positively identified the vehicle as a black 2008 or 2009 Saturn Astra.

The video shows Yingying looking at her phone before the vehicle pulls up next to her and stops. She steps over to the vehicle and speaks to the driver through the front passenger window; they speak for approx. 1 min. 7 sec. before she enters the vehicle.

At 0440 hrs. I attempted to contact JP Morgan Chase Bank Legal Compliance to obtain transaction information for Yingying's Chase Debit card via exigent circumstances. I called the Emergency number given by Chase's automated after hours voice mail and received busy signals each time. I completed a subpoena for Yingying's Chase account and sent it to the Champaign County States Attorney for signature. At 0952 hrs. subpoena was sent to JP Morgan Chase Legal Compliance. See attached.

At 0518 hrs. I sent a request to UBER Law Enforcement Response Team (LERT) to determine if anyone had requested an UBER in the area of Clark and University, Urbana, IL. At 0529 hrs. UBER LERT responded to my request. UBER LERT was unable to find any trip or account that corresponded with the area of Clark and University. See attached.

At 0633 hrs. I attempted to contact Latitude Apartments, 608 E. University Ave. Champaign, IL to determine if they had security cameras that faced the roadway, specifically the intersection of University Ave. and Wright St. I was unable to reach anyone due to the early hour.

At 0636 hrs. I attempted to contact Campus Circle Apartments, 1010 W. University Ave. Urbana, IL to determine if they security camera located in the parking garage facing Goodwin Ave covered the roadway. I was unable to reach anyone due to the early hour.

At 1035 hrs. Deputy Chief Myrick and I met with the Reporting Person and Yingying's [REDACTED] along with her [REDACTED]

[REDACTED] in the 1st floor conference room. [REDACTED] informed us that Yingying's family obtained Google information through China. They reported Yingying was using Google and Google Maps to locate One North Apartments from 1340 hrs. to 1406 hrs. on 06-09-2017.

I asked [REDACTED] if he had knowledge of Yingying having the UBER or LYFT cell phone application. [REDACTED] did not believe she had either app. They said there was no LYFT or UBER information or e-mails on her computer.

I asked [REDACTED] how they had obtained Yingying's Chase Bank Debit card transaction history they provided to Det. Stiverson. [REDACTED] informed us that Yingying had left her laptop in her office space and it was not password protected. [REDACTED] stated they went through her computer and found a document with all of Yingying's passwords.

I asked [REDACTED] if Yingying used her Chinese bank credit card. They said that account doesn't work.

I told [REDACTED] not to use Yingying's laptop again or access any of her accounts. I explained it would be difficult to sort out if a bad guy was using her information or they were. They said they would not use the laptop again.

[REDACTED] informed us that the Chinese community had a large number of volunteers search/canvas the areas suggested to them by Det. Stiverson on Saturday and Sunday, June 10 & 11, 2017. They posted flyers around the neighborhoods around Goodwin Ave. north of University Ave. and most of campus.

[REDACTED] informed us that the letter sent to them by Det. Stiverson had the wrong WeChat user name listed. I was unaware of the letter and they explained that the letter was needed in order for them to request assistance from the Chinese government in accessing Yingying's WeChat, QQ (Chinese Snapchat), and 163.com (Chinese e-mail). They told me Det. Stiverson had inadvertently put Yingying's boyfriend user name in the letter. I asked [REDACTED] to send me a copy of the letter and I would try to have it corrected.

We ended the meeting and I informed Det. Stiverson how [REDACTED] had obtained the documents he had previously received. Det. Stiverson contacted [REDACTED] and asked him to relinquish the computer to him. Det. Stiverson took custody of the computer at approx. 1435 hrs.

At 1046 hrs. I received an e-mail from [REDACTED] containing the letter written by Det. Stiverson along with a document containing information about Yingying. The document contained lists of Social Media/E-mail accounts for Yingying and her [REDACTED] Bank accounts, Parent information, and her Chase Bank debit card transaction history ending on June 07, 2017. (See attached).

At 1508hrs. Chief Christensen, Deputy Chief Myrick, and I met with members of the Chinese Consulate and members of the Chinese Student Scholar Association (CSSA) in the 1st floor conference room. During the meeting, [REDACTED] (CSSA) said Yingying had an I-Phone purchased in China with [REDACTED]

The Chinese consular staff requested a letter documenting that an investigation was underway and a synopsis of events. They believed this information would assist them in receiving assistance from the Chinese government. Deputy Chief Myrick said he would have this done. Since DC Myrick was going to obtain a letter, I did not have Det. Stiverson re-write his original letter.

At 1555 hrs. I received an e-mail from John Ealy, Director of I-Card Services. He informed me that Yingying had never used her I-Card to swipe into a University of Illinois building.

There is nothing further.

Incident Addr: 02013 S ORCHARD ST Apt # D X STR GEORGE HUFF URBANA			Title of Report: MISSING PERSON
Officer Injured:	Use of Force: N		

NARRATIVE

On 06/11/2017 I, Officer Tison #147, utilized a departmental ATV to complete a grid search for a reported missing person.

I began in the Arboretum area south of the UI Presidents House and continued south to Hazelwood Dr. Beginning at Hazelwood drive I searched south to Windsor Road, staying in the wooded borders of Lincoln Ave and the gravel drive bordering the west side of Orchard Downs.

I crossed Windsor Road and searched the complete section within the borders of Windsor Road, S. Lincoln Ext. and Race St., ending at the Vet Med Research area fence line. Moving west from the south end of that section, I followed the fence line and did a limited search of the wooded area located north of the fish research ponds. That area is heavily fenced and dense and prevented a thorough search.

I concluded in the area of the [REDACTED] and moved north to search the undeveloped area on Fourth St., south of St. Mary's Road, all with negative results.

On 06/19/2017 I utilized my personally owned drone aircraft to search the fields and fence lines in the area of the [REDACTED] south of Windsor Road, also with negative results.

On 06-26-17, around 10:44 hrs, I (Detective Stiverson) contacted Carle Foundation Hospital (Urbana) via telephone and spoke with the Charge Nurse, identified as "Erica", who verified Yingying Zhang had never checked in, nor had she been admitted to Carle Hospital between 06-09-17 and 06-26-17. Erica further stated they had no "Jane Does" admitted over that time period either.

Around 10:49 hrs, I contacted the Champaign County Sheriff's Office satellite jail and spoke with a booking officer who verified Yingying Zhang was not an inmate, nor has she ever been booked. No "Jane Does" were booked during the time period requested.

Around 12:00 hrs, I arrived at Presence Covenant Medical Center (Champaign), completed the Law Enforcement Administrative Request for Protected Health Information, and verified Zhang had not checked, nor had she been admitted to Presence Hospital between 06-09-17 and 06-26-17. On 06-27-17, around 14:45 hrs, Lt Geis asked me to locate and interview [REDACTED] who had called President Killeen's office at the University of Illinois (Urbana) and spoke with Kathie Alblinger. [REDACTED] claimed he had information regarding our missing person, Yingying Zhang.

Officer Eric Stiverson,

I conducted an interview with [REDACTED] and the following is a summary of the information report I submitted to my department.

R/D was assigned to interview [REDACTED]
IL. DL [REDACTED], phone [REDACTED] had made several calls to University of Illinois, University Of Illinois Police Department, and the Federal Bureau of Investigation. [REDACTED] related that ZHANG was being held in his building and was being moved around in apartments [REDACTED] R/D met with [REDACTED] and conducted an interview [REDACTED] related that he saw the news report of the missing U of I student. He related that through the numbers in the story he was able to figured out where ZHANG was being held. [REDACTED] related that there were satellites that could read our thoughts and tracked our movements. The people who controlled these satellites had the missing U of I student, ZHANG. R/D asked [REDACTED] if he knew where ZHANG was located. [REDACTED] replied that he did not know where ZHANG was but the satellite people could find her. R/D asked [REDACTED] about apartments [REDACTED] related that the satellite people lived in the apartments. [REDACTED] related that if R/D could trick the satellite people they might be able to find ZHANG. R/D concluded that [REDACTED] was delusional and did not have any useful information for investigators. R/D also concluded that [REDACTED] was not a danger to himself or others.

Hi Tom,

FYI:

Just received a call for President Killeen. Caller identified himself as [REDACTED]. He said he had called UIPD and FBI, but his call was blocked. He mentioned Ms. Zhang and that he knew how they did it and something about people in his building, that they are very bad and we must move quickly or it will be too late.

OTHER**NARRATIVE**

On 06-29-17, Sgt Carter and I (Detective Stiverson) received an anonymous tip regarding a residence located at [REDACTED]. The caller believes the house was purchased by people from China and claims to have seen groups of two Chinese women going to the property, staying for a short period of time, and then leaving. The tipster believes the house is involved in human trafficking.

Around 13:20 hrs, Sgt Carter and I arrived at [REDACTED] and attempted to locate the occupants. The residence appeared to be abandoned: The grass had not been mowed in over a month; No vehicle in driveway; No personal property in yard. I walked around to the deck at the rear of the house and looked through the windows. No furnishings were observed other than a small kitchen table with no chairs.

Around 13:25 hrs, I made contact with a neighbor, identified as [REDACTED] who lived across the street. [REDACTED] told me he had not seen anyone at the house in over a month. [REDACTED] told me he recalled seeing "international people" looking at the house about a month ago and thought maybe they had bought it. [REDACTED] did not know who previously owned the house, but told me it was on the market for a long time. I asked [REDACTED] to define "international people" for me and asked if they were "Russian, Asian, or African". [REDACTED] told me he could not recall, but he wanted to

NARRATIVE

On 07-24-17 at 0215 hrs. I, Sergeant Gene Moore spoke to Champaign County Sheriff Sergeant Dave Coffey about a dispatch they received concerning a tip in this case. [REDACTED] called METCAD requesting someone check an abandoned house west of the airport. [REDACTED] said he entered the house earlier and located a bondage mask, hope chest, and a circular saw that he believed could have been used on Yingying.

I asked Sgt. Coffey to meet with [REDACTED] and check the validity of his statements.

At 0313 hrs. Sgt. Coffey informed me they located the house at [REDACTED] Champaign. The house has a Caldwell Banker Honig Reality for sale sign in front, over grown with weeds. He informed [REDACTED] they could not enter the house without permission, but did see the purported "bondage mask" in the trash can in front of the house. I requested he seize the mask and turn it over to me.

At 0337 hrs. Deputy Keyes turned the "bondage mask" over to me at UIPD. I immediately noted the mask was actually a medical radiation therapy mask used for cancer patients.

At 1217 hrs. I spoke with Caldwell Banker Honig Real Estate agent [REDACTED]

[REDACTED] and requested access to the house. She informed me the owner is [REDACTED] a [REDACTED] who owns multiple properties in Champaign County. She agreed to meet me at the house at approx. 1430 hrs.

At 1430 hrs. Detective Stiverson and I entered the house and checked the basement. The basement had been flooded numerous times, had garbage and old tools and property strewn around. There was nothing to indicate anyone had been in the old, soon to be demolished farm house in quite some time.

I disposed of the mask. The tip is unfounded.

NARRATIVE

On July 21st, 2017 I met with [REDACTED] at YingYing Zhangs apartment at their request. In the email request from [REDACTED] he told me he wanted to retrieve an article of clothing of YingYings to provide to a psychic so the psychic could help locate YingYing.

Upon arrival [REDACTED] told me that the phyctic was coming to the apartment and asked if I could remain and speak with her. Several minutes later the psychic, Christine Rich-Hanson [REDACTED] and a person with her, [REDACTED] arrived.

Christine looked around the apartment and then went back to YingYing's bedroom, we remained in the living room. After several minutes Christine came out and asked to speak with me in the bedroom. The following is a summary of our conversation: Christine explained that she is very new to the psychic world and told me several days ago [REDACTED] came into Christine's dance studio. [REDACTED] has a child enrolled in the dance studio. [REDACTED] never comes into the studio, but for some reason came in this day. Something told Christine to talk with [REDACTED] Christine asked [REDACTED] if she was Chinese and she said she was. Christine asked her if she knew the family of YingYing and [REDACTED] said she did. Christine asked if she could meet them. [REDACTED] obliged.

They all met and they drove around campus town to see if Christine could get a "feeling" about where YingYing might be. While in the area of 1st and Chalmers St, Christine got a feeling that led them to [REDACTED] Champaign. While outside the apartment building Christine felt a strong pain in her stomach, like a cramp. She relayed this to YingYing's family. The family told her that YingYing was having her period the day she went missing and suffered from very bad cramps during her menstrual cycle.

Once outside apartment #201 Christine got a feeling of being constricted around her chest area. Christine asked me if any of what she was telling me matched up with what we had discovered during the investigation. I told her I could not reveal what we had discovered to this point. I asked Christine to email a summary of what she has to date and then keep me updated on future discoveries she has. We concluded our conversation and all departed the apartment.

NARRATIVE

On 07-27-17, around 12:04 hrs, Special Agent Manganaro and I (Detective Stiverson) met with [REDACTED] at UIPD in reference to an anonymous tip regarding her relationship with Brent Christensen. [REDACTED] who was a [REDACTED] at the time, allegedly worked out at the same gym (The Refinery) as Christensen and had gone on a date with him. According to the tipster, Christensen allegedly asked [REDACTED] about how to bury a body, how to conceal a body, and had told her he was in an open relationship.

Upon arrival, [REDACTED] was escorted to the Detective's Bureau at UIPD and interviewed. The interview was audio and video taped for evidentiary purposes (E-tag #49863). A copy of the interview was provided to S/A Manganaro. The following is a brief synopsis of the interview (See S/A Manganaro's supplement for details):

[REDACTED] told us she had met Christensen through an online dating site, possibly OK Cupid, but was not for sure. According to [REDACTED], she and [REDACTED]

Christensen met at the Blind Pig for dinner. [REDACTED] told us they ate dinner, had small talk, paid for their own food, and left. [REDACTED] told us she never saw, or talked to Christensen again after the date.

[REDACTED] told us she could not remember any specific details about their dinner conversation. She did not recall him asking her anything about her [REDACTED] or how to conceal a body. [REDACTED] recalled seeing Christensen wearing a wedding band and him explaining how he was in an "open relationship" with his wife. [REDACTED] told us she did not approve of that lifestyle.

[REDACTED] told us she could not remember exactly when she met up with Christensen and thought it was last fall, but would check her bank records for a better timeline and get back to us. [REDACTED] told us Christensen was polite, well spoken, and even offered her a ride after dinner, which she told us she did not accept. [REDACTED] remembered him driving a dark colored vehicle, which was parked on the street outside the Blind Pig. [REDACTED] remembered being jealous of his parking spot, but could not recall the make/model of the vehicle.

[REDACTED] told us she had talked about going on a date with Christensen with a few of her friends from The Refinery after his name went public. [REDACTED] did not report anything to the police because she did not think anything regarding her dinner with Christensen was relevant to the case. [REDACTED] was embarrassed by her association with Christensen and shocked she did not notice any behavioral issues on the date.

On 07-28-17, I received an email from [REDACTED] regarding her bank records. [REDACTED] determined she met Christensen at the Blind Pig (Champaign) on 04-03-17, between 17:30 and 19:30 hrs (See attached email for details).

Good morning Detective Stiverson,

It was a pleasure speaking with you and Special Agent Manganaro yesterday (albeit given the nature of the circumstances).

I looked back through my bank statements last night, and the date I met Brendt Christensen was Monday April 3, 2017. The approximate time I met him at the Blind Pig (120 N Walnut, Champaign) was between 5:30pm and 7:30pm. I checked my time clock log at work, and it showed I clocked out at 5:07pm on that day (I was surprised it was that late into the year, my memory really sucks).

Again, I apologize I couldn't help more or confirm the date at the time of our interview. If there is anything else I think of I will be sure to email you, and please feel free to contact me if need be.

Good luck with the investigation and "be careful out there" ~Sgt. Phil Esterhaus (Hill Street Blues).

Respectfully,

NARRATIVE											

On 07-12-12, I was assigned by Sgt Robbins (JTTF-FBI) to locate and interview [REDACTED]. Several tips had come into the FBI call center regarding [REDACTED] because he was discussing the case on social media. Sgt Robbins provided me with copies of the tips (See Attachments).

On 07-19-17, around 11:17 hrs, I met with [REDACTED] at UIPD and conducted an interview. Around 11:20 hrs, I read [REDACTED] the Miranda Warning from my LexisNexis card and verified he understood his rights. The interview was audio and video recorded for evidentiary purposes. I later burned a copy of the interview to a CD-R and secured it in the small evidence drop box (E-Tag #50509). The following is a brief synopsis of the interview:

(II1700767 - #A1709613)

██████ told me he had been following the case closely because he believed he saw her on campus one time, but the main reason is because ██████ is Chinese. ██████ explained ██████ has been here for eleven years and when he first met her, she was about Zhang's age, when he brought her here in 2006. According to ██████ has had guys approach her at bus stops, or while walking and they tried to get her to get into their car seven times since she's been here. ██████ described the most recent incident was either last April or early May, when two men in a vehicle approached her and asked her to get in a car and she said "No" and walked off. ██████ explained, "So, this stuff bugs me".

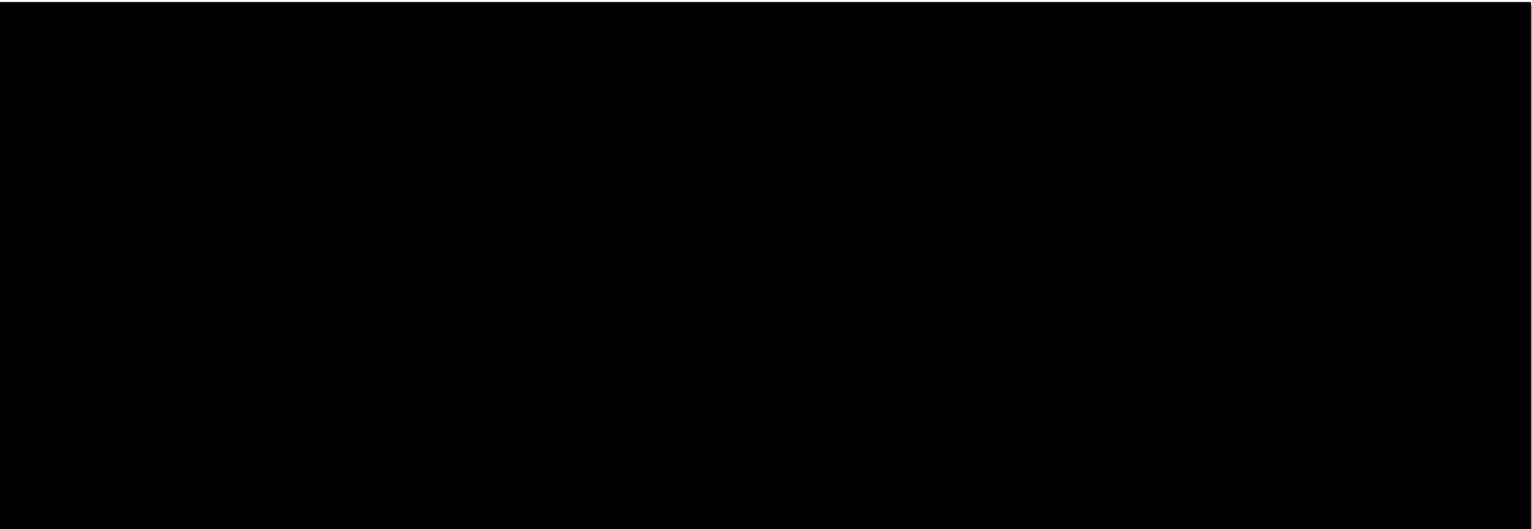

██████ told me early on (prior to suspect's arrest) he had discussed the case regularly with ██████ and people on social media because he believed police were looking for multiple suspects. ██████ told me he had discussed the case with ██████ and made posts on Facebook and other "overseas" websites just basically telling people what he's heard about the case through the news.

I asked ██████ to clarify when he believed he saw Zhang on campus. ██████ told me he thought it was in early May (2017) when he was driving home he saw a girl that looked like Zhang near the Animal Sciences Building sitting at a bus stop. When police had released pictures of the victim he thought the girl he saw at the bus stop was vaguely familiar. ██████ told me when he saw another picture released by police of the victim getting on a bus in Orchard Downs, he believed he had actually seen Zhang. ██████ told me when he found out she worked at Turner Hall, which is near Animal Sciences Building, he believed it made sense she might have been at the bus stop he thought he saw her at.

I asked ██████ to describe to me what he meant by talking with people online and if he used an international website. ██████ told me it was not an international website, but a couple message board type accounts

(Discuss). [REDACTED] told me he would read an article, people would make comments, and he would just "chime in" and tell people what he hears. I asked [REDACTED] if he was fluent in Chinese. [REDACTED] replied, "No, I can recognize some words, I can tell when they're calling me "fat", I can recognize and say some phrases and words, I can't read it." [REDACTED] told me his vocabulary was limited.

I asked [REDACTED] if he had ever approached any Asian females on campus, other than [REDACTED] and had discussions with them. [REDACTED] replied, "No". I asked [REDACTED] if he had any colleagues that are Asian females. [REDACTED] replied, "Not at this time. No."

I asked [REDACTED] if he discussed the case with any Asian women on Facebook and he told me he had but not with anyone he knew personally. [REDACTED] told me he has not discussed this case with any Asian women on campus and has never discussed the case at work. [REDACTED] told me he has never approached any Asian women on campus because he does not want to be viewed as the "creepy old guy".

I asked [REDACTED] to describe his relationship with [REDACTED]. [REDACTED] told me they are a standard married couple and they fight all the time about meaningless crap and then showed me a family photograph from China.

I asked [REDACTED] about his relationship with Brent Christensen. [REDACTED] replied, "I've never met him. I've never seen him." [REDACTED] recalled working out on the exercise bikes at the Activities and Recreation Center (ARC) and seeing someone that looked like Christensen there one time, but could not say for sure if it was him. [REDACTED] told me a few days after

Christensen was arrested, he saw someone that looked like him at the ARC, but was not sure. I asked [REDACTED] if he worked out at any of the local gyms in the area and he told me he only worked out at the ARC, but does a [REDACTED] with [REDACTED] every [REDACTED] near Parkland.

During the interview, I asked [REDACTED] if he recalled his whereabouts on the June 9th. After verifying the day of week, [REDACTED] told me he would have been [REDACTED] Around 12:00 hrs, I thanked [REDACTED] for his time and terminated the interview.

On 08-08-17, I requested UIPD Telecommunicator Mecum to check [REDACTED] iCard for scans showing when he accessed University of Illinois Buildings from 06-09-17 through 06-14-17. The results of this search is attached to this report (See Access Event Report for details). Based on the results of the search, [REDACTED] was [REDACTED] on the day in question.

On 08-17-17, around 15:13 hrs, I spoke with [REDACTED] via telephone regarding [REDACTED] [REDACTED] told me [REDACTED] was an hourly research scientist that works in [REDACTED] [REDACTED] told me he has known [REDACTED] for about five years and described him as quiet, solid, good worker, with a calm demeanor. [REDACTED] told me [REDACTED] has limited social skills, but did not know much about his personal life other than he had [REDACTED]

[REDACTED] told me [REDACTED] works [REDACTED] which is on the second floor south wing of [REDACTED] however, [REDACTED] also shares an office space with other scientists in [REDACTED] [REDACTED] told me he did not have access to payroll and he was currently in California, but he was sure [REDACTED] should have been working at [REDACTED] on the day in question. I thanked [REDACTED] for his time and terminated the interview.

LEADS check revealed [REDACTED] is clear of warrants and has no criminal history on file. ARMS check revealed miscellaneous traffic offenses. This lead is closed.

Narrative: Regarding the possible kidnapping case of Yingying Zhang, would you mind to check out the person called [REDACTED]. He is currently living in Champaign and has some sort of connection with Ms Zhang. I also saw him once with a black hat and dark grey jacket, the outfit looks very similar to the clothes that the black cat driver wore in the surveillance video. I will enclose a photo of [REDACTED]. I know it's sounds like a long shot, but I had some suspicion on him since he has a cold personality in life but pays enormous attention to the progress of investigation in this case. On 6/17/2017, I Officer Hurless (101), took an incoming phone tip call from [REDACTED]

[REDACTED] said in the fall of 2016 when she was a student at the University of Illinois she was approached at the bus stop on Green St. across from the Illini Union, 1401 W. Green St., Urbana IL, 61801. [REDACTED] described the white male as average height, wearing a large, dark winter coat, an ugly hat and appeared to be approximately 60 years old. I asked her what she meant by "ugly hat" and [REDACTED] said "I don't know, it was just really ugly".

HURLESS, TARA

officer's initials TH approved [Signature] (I1700767 - #A1710092)

██████████ stated the male yelled "Hello" in Chinese towards her direction. ██████████ was offended at this advance because she is of Asian descent but raised in the U.S. She told the male he was "extremely rude and inconsiderate". The male apologized in English and asked ██████████ if she would be willing to tutor him in Chinese in exchange for tutoring lessons in English. ██████████ said she rolled her eyes and glared at the man and walked away.

██████████ also mentioned another encounter she witnessed with the same man approaching an Asian female outside the Illini Union Bookstore. She could not recall the exact time this happened, but said it was sometime in the 2016/2017 school year. In this instance the Asian female did get in the car with the male.

I closed this tip due to the description not matching our person of interest in this particular case.

On 6/20/2017, I Officer Hurless (101) took an incoming tip phone call from Jeremy Jessup, Adult Probation Officer for Champaign County.

Jessup stated he had a tip that was called into his office, but the tipster wanted to remain anonymous. The tipster is a psychologist who stated a patient she saw on a regular basis was familiar with a male, later identified as [REDACTED] who admittedly fantasied about picking up Asian females. Apparently, [REDACTED] was a pizza delivery man and became known as the [REDACTED]. [REDACTED] stated it was easy to do because Asian females don't speak good English. I asked Jessup if it was known that [REDACTED] raped Asian females before and he was not able

NARRATIVE

On 6/29/2017, I Officer Hurless (101), made contact with [REDACTED]. [REDACTED] sent an email to the University of Illinois Police Department email. Lt. Geis (276) reviewed and assigned Officer Stiverson (107) to follow up. I told Officer Stiverson I had two other tips similar tips to what was stated in the email and I would be willing to do the follow up.

[REDACTED] stated sometime in May 2016, an older white male, who had grey hair and wore a hat, around the age of 50 years old or older approached her at the bus stop on Green St. across from the Illini Union, 1401 W. Green St., Urbana, IL. 61801. [REDACTED] stated the male, who goes by [REDACTED] spoke in

Mandarin which she told him she did not understand. [REDACTED] asked [REDACTED] for her phone number in which she gave him. [REDACTED] said they could tutor one another in English and Mandarin.

This tip is almost identical to what was described in I17-767 sup #17-10092 and similar to what was described in sup #17-10123. I emailed both [REDACTED] the picture of [REDACTED] with no name identifiers. Both [REDACTED] stated [REDACTED] was not the man who approached them.

Subject: Missing Student Yingying Zhang

Hello to whom it may concern,

My name is [REDACTED] and I am a rising sophomore at UIUC. I wanted to contribute any possible information about the case of the missing University of Illinois at Urbana-Champaign student Yingying Zhang. Towards the end of the school semester in May of 2017, an older white male approached me at a bus stop and we had a brief conversation. He then abruptly asked to exchange phone numbers in case we could meet in the future. He also told me that he had received phone numbers of other female students he recently met, of whom were of Chinese descent. (I am Asian, myself, and he had mistaken me for being Chinese).

I am not accusing him of anything, but I did find it suspicious at the time. I had only planned on not answering him if he were to ever contact me. I did not think of him until hearing about Yingying's case.

In case this connects to Yingying's case, I want to provide his phone number if it could provide any information about his identity. His name went by the name of [REDACTED] (he did not tell me his last name). He claimed to be a tutor, but does not work through the university.

[REDACTED]

I apologize if this does not help find Yingying or if I had falsely held this man accountable. But I have heard that any information is appreciated, and I just wanted to help any way I can.

Best,

NARRATIVE

On 08/24/17 I, Detective Murphy, made contact with [REDACTED] in the University of Illinois book store, where he was acting as a tour guide to an Asian family of a University Student. I explained to [REDACTED] that his behavior is making our international female students feel very uncomfortable. I explained to [REDACTED] he could hand out his information about the Jehovah Witness church but he could not ask Asian females as well as other Asian students for their phone numbers so he could practice his Chinese. I also told him to stop offering to give

students rides or show them around campus. Further explaining to him if his aggressive behavior did not stop, he would be no trespassed from campus as well as possibly charged with disorderly conduct. [REDACTED] said he understood and would stop asking the students for their numbers and would stay out of University buildings.

Prior to my contact with [REDACTED] I received several calls from the University of Illinois International Student Programs department (ISSS) about [REDACTED] approaching Asian Female students and asking them for their number so he could practice speaking Chinese with them. According to [REDACTED] who is the [REDACTED] she has talked to [REDACTED] in the past and he makes her feel very uneasy. When he found out she was from Korea and not China he started calling her Korea instead of [REDACTED] which she found very disrespectful. [REDACTED] said she has had several students complain about [REDACTED] aggressive and alarming behavior. [REDACTED] said he even offers to drive Asian female students around campus and brought several Asian female students to the ISSS office on 08/23/17.

End of report.

NARRATIVE

On 6/12/17, I was assigned to assist the detective bureau with this case. Ofc. Snow #145 and I were tasked with checking addresses that had Saturn Astras registered to them. Ofc. Snow and I were able to find 9 registered vehicles that had addresses listed in Champaign County and had current registration.

At 0915 hours, we checked a residence at [REDACTED] in Champaign. There wasn't a matching vehicle and the occupant did not own a Saturn.

At 1050 hours, we checked a residence at [REDACTED] in Champaign. The resident stated she had lived there for two years and does not own a Saturn.

At 1330 hours, I received a call from Ofc. Elliott from Mahomet Police. He had checked a residence in Mahomet for a vehicle but no one was home. Ofc. Beckett made contact with the resident later that evening and noticed the car had been sold and the registration was on a different vehicle.

I was also assigned to investigate several tips that had been received by UIPD.

At 1140 hours, we spoke with [REDACTED] in Champaign. We had received a lead that he might know Zhang. He said he didn't recognize her but would check his Facebook and other sources to try and find more information.

At 1345 hours, Sgt. Landers, Ofc Wright, and I, as well as Urbana Ofcs. Sprague and Hancock checked a residence at [REDACTED] A property owner in the area stated he had seen a silver Toyota pull up to an abandoned house and an Asian male entered it. We located an unsecured

window and cleared the house but it was unoccupied with no signs of tenancy.

At 1430 hours, I went off duty. I was back on shift at 2200 hours.

At 2220 hours, I followed up with [REDACTED] in reference to a tip she had posted on the UIPD Facebook page. It was determined to be a tip that had already been investigated.

I performed review of security camera footage on 6/12 and 6/13.

My video review was in the following areas and times on 6/9/17:

- Canopy Club, Urbana 1300-1405 hours.
- Intersection of Fifth/Green, Champaign 1300-1405 hours.
- Fourth St. at Col. Wolfe School, Champaign 1300-1405 hours.
- Cylbourne Bar, Champaign, 1300-1405 hours.
- Sixth St. at Speech and Hearing Bldg, Champaign 1300-1405 hours.
- Daniel St. at Illini Union Bookstore, Champaign 1300-1405 hours.
- Wright St. at Electrical and Computer Engineering Bldg, Urbana 1330-1415 hours.
- 1100 W. Nevada, Urbana, 1337-1405 hours.
- F-29 and Campus Rec Center East, Urbana 1337-1405 hours.

All of the above listed locations and times did not reveal any useful footage.

I did observe the suspect vehicle at the following locations and times on 6/9/17:

- 1:33:59 Suspect vehicle approaches the intersection of First and St. Mary's in Champaign from the south and turns east on St. Mary's. Camera is Exterior Camera-PTZ IHotel-1214.
- 1:34:06 Suspect vehicle continues east on St. Mary's towards Fourth St. Camera is SFC-Exterior SW Lot PTZ-0166.
- 1:34:23 Suspect vehicle approached Fourth St. and turns north. Camera is SFC-Exterior SE Lot PTZ-0166.
- 1:34:59 Suspect vehicle continues north on Fourth St. towards Kirby Ave. Camera is SFC-Exterior NE Lot PTZ-0166.

I did not observe the vehicle travel north on Fourth past Kirby or west on Kirby. Cameras were SFC-Exterior PTZ front of Ticket Booth-0166 and Stadium-PTZ East Exterior-0072.

-1:36:18 Suspect vehicle passes Florida Avenue Residence Halls. Camera was FAR-Loading Dock-0297.

I reviewed cameras on 900 W. Nevada, 700 S. Goodwin, Lincoln/Green, and Dorner/Gregory but was unable to locate the suspect vehicle beyond FAR. On 6/19/17, I was assigned to conduct a neighborhood canvas in the area to west of Centennial Park in Champaign, IL. During this canvas, I went to the following locations:

On 6/22/17 at approximately 0210 hours, Ofc. Franzen #102 and I checked wooded areas along the Springfield Ave. railroad viaduct in Champaign. We noticed part of the fence on the east side of 302 S. We conducted a sweep of the vegetation along the 200 block of S. Chestnut as well.

NARRATIVE

On 06/12/17, I Officer Sandage #158, utilized a UIPD marked, all terrain vehicle (ATV) to search areas hard to reach by regular patrol vehicle.

I checked the wooded area along the railroad tracks just north of University and Goodwin Avenue in Urbana. I then rode north on Goodwin to Bradley Avenue, looking for buildings that might have exterior cameras that may show vehicles traveling north on Goodwin Avenue. I was unable to find any cameras that would show traffic on Goodwin Avenue north of University.

I checked the wooded area just west of One North apartment complex, and north of Mount Olive Baptist Church at 808 E. Bradley Avenue in Champaign. I rode along the tree lines and ditches along West Kenyon Road in Urbana to North Oak Street in Champaign. I rode north on Oak Street from Kenyon, checking dump and construction areas all the way to the Canadian National Railroad terminal on North Oak Street.

After checking the Oak Street area north of the interstate, I rode south along the railroad tracks, checking ditches and wooded areas all the way until I reached St. Mary's Road in Champaign. I was unable to locate any sign of evidence related to this investigation.

I returned to UIPD and utilized a patrol vehicle to check apartment complexes in the area of One North apartment complex, looking for the dark colored Saturn Astra that was believed to be involved in this case. I was unsuccessful in locating any vehicles matching that description.

SANDAGE, JERALD

officer's initials JS approved [Signature] (II1700767 - #A1706808)

I stopped in businesses on both sides of Lincoln Avenue, from Bradley to Kenyon, looking for any video cameras that may point towards Lincoln Avenue. I spoke with the manager of Sportland Honda Yamaha, at the corner of Lincoln and Bradley, and he showed me a surveillance camera inside the showroom that pointed outside towards the One North bus stop along Lincoln Avenue. It was determined that the camera did not record, there for I could not review video from that camera. No other camera angles would have been of use in this investigation.

I spoke with the manager of the Circle K gas station at 2011 N. Lincoln Ave. She advised me they have two cameras that face the pumps and parking lot along Lincoln Avenue. I looked at the cameras and could tell that they caught a far view of Lincoln Avenue. I had the manager burn me a block of video from June 9th, between 2-3 pm, of the camera angels that face the pumps. I later reviewed the video at UIPD. I did not see a vehicle matching the description of the Saturn pull into the Circle K Parking lot. Due to the distance from the cameras to Lincoln Avenue, I was unable to positively identify a car matching the description of the Saturn Astra passing by on Lincoln Ave, although there were several that may have been similar.

I placed the DVD from Circle K into evidence.

NARRATIVE

On 06/18/17, I Officer Sandage #158, assisted the UIPD Detective Unit with a neighborhood canvas, in attempts to locate YingYing Zhang, or anyone who may have seen her in the area. The following is a list of the times and locations of the houses that I checked.

1407 hrs - 406 E Vine, C. - This was an abandoned rental house that had the front door standing wide open. Detective Stiverson and I entered and cleared the house. We did not locate anything of value to this case inside the house. There is a small video camera that appears to point towards the street (Vine) near the top of the front door. We spoke with neighbors who did not know the name of the land lord who may have access to the camera footage.

1420 hrs - [REDACTED]

- She said she had not seen anybody matching the description of Zhang and has not seen a car matching the description of the 2008 Saturn Astra.

1425 hrs [REDACTED]

[REDACTED] stated that she thought her and her husband got home on Friday 6/9/17 around 1400 hrs and sat outside on the porch for a while. They did not see anyone matching the description of Zhang or any vehicle matching the Saturn. I asked [REDACTED] about the camera that was near the front door. She said that it points towards their driveway. I asked her if it covers the corner of [REDACTED] and she said that it catches some vehicle traffic but "not very well". I asked her about reviewing the video and she informed me it would have to be done from her bedroom and would rather not. I asked her if it would be ok for someone to contact her at a later time to set up an appointment to review the video and she said that would be fine.

[REDACTED] - I spoke with [REDACTED] who said she usually gets home from work between 4-430pm. She stated she has not seen anyone matching Zhang's description or a vehicle matching the Saturn.

On June 22, 2017 at 0920 hours I, Officer T.A. Franzen #102, reviewed Milestone surveillance video from parking garage B4. Incident Adr: 02013 S ORCHARD ST Apt # D X STR GEORGE HUFF URBANA			Title of Report: CENTENNIAL PARK CANVASS
Officer Injured:	Use of Force: N		

NARRATIVE

On 06-19-17, around 19:00 hrs. Sgt. Carter (UIPD) and I met with [REDACTED]

[REDACTED] Champaign, in reference to [REDACTED] Earlier in the day, Officers Age and M. Schroeder had been going door to door during the Centennial Park Canvass detail and spoke with [REDACTED] who told them her son knew the owner of the suspect vehicle, gave the name "Brendt", and claimed her son, [REDACTED] was afraid of him.

[REDACTED] told me their son had just left the residence and went to a bar. I asked for clarification about what [REDACTED] had told officers previously. [REDACTED] did not recall giving officers the name "Brendt". [REDACTED] produced a note pad and told me she gave the names of [REDACTED] and [REDACTED]. According to [REDACTED], [REDACTED] was a troublemaker and might even be in prison. [REDACTED] stated they had never met [REDACTED]. Similarly, they had never seen the suspect vehicle. Their son, however, had told them the vehicle in the press release was the same vehicle [REDACTED] drives. I asked [REDACTED] what bar his son would have walked to and he told me Pipas near Springfield/John (Champaign).

We cleared from the residence and while driving to Pipas located [REDACTED] walking home at the corner of Kirby/Mattis (Champaign). We interviewed him in a parking lot of a local business. [REDACTED] told us he had a friend named [REDACTED] that had bought Saturn Astra from [REDACTED] who is [REDACTED]. [REDACTED] told us [REDACTED] hangs out at Pipas and recalled him showing [REDACTED] a nitrous oxygen tank he had installed on the vehicle to make it go fast in the parking lot. [REDACTED] described the interior of the vehicle to be cloth. [REDACTED] never mentioned being afraid of [REDACTED].

Around 21:48 hrs, [REDACTED] sent me the following email:

"When I returned home, it did strike me of a memory. I have seen a stock Saturn Astra, Black parked literally in front of building [REDACTED] [REDACTED] This is interesting because I used to see it parked in front of [REDACTED] many times and it has only been until recently when the vehicle had not appeared anymore. This is an interesting development. Earlier this morning, police were seen at [REDACTED] knocking on every door. The dots are connected and if you can cross reference the Astra via license ID number against records stored at [REDACTED] it may result in a summation for your investigation. Feel free to call [REDACTED] Thanks"

NARRATIVE

On 06/27/16, Detective Sgt. Moore #289, and I Officer Sandage #158, assisted with a canvas for any white Dodge Ram 3500 vans in the area. The following are the addresses that we checked, that are registered to similar vehicles.

We first checked a White 2002 Dodge Ram [REDACTED] registered to the First United Pentecostal Church, at 1 S Pine St in Villa Grove, IL. We were unable to locate the van at the church, but later located it parked on the north side of the Dollar General store at 700 S Sycamore in Villa Grove. We determined the van was not a match.

We then drove to Atwood looking for a White 1996 Dodge Ram van [REDACTED] registered to [REDACTED] We arrived at the address which appears to be associated with a church and cemetery. We observed a dark green Dodge Ram 3500 van with Illinois registration [REDACTED] which also registers to [REDACTED] The dark green van was not a match. We were unable to locate a white van at that address.

We drove to Arcola looking for a white 2002 Dodge Ram van [REDACTED] registered to [REDACTED] We were unable to locate a van matching that description. We knocked on the door of the residence with no answer. We then checked an adjoining business and spoke with the clerk who informed us that [REDACTED] was out of the country on vacation. We inquired about the white van and the clerk told us the van hit a horse and was damaged pretty bad. She stated the accident was either in late fall or early spring 2017 and she never saw the van again after the accident.

We drove to [REDACTED] attempting to locate a white 1997 Dodge

I emailed SGT Robbins the information regarding Chase and she said she would take care of the subpoena.

Taco Bell restaurant only has inside cameras they do not show views of Springfield Ave.

Easy Pay business appeared to be closed and out of business. I did not see any outside cameras.

Za's restaurant had no outside cameras with a street view. They did have a camera on their outside loading dock door with a limited view of the area directly outside the door.

Dollar General had an outside camera covering the parking lot area but not Springfield.

Big Lots had no outside cameras.

Ruler Food's assistant manager didn't think they had outside cameras and said the general manager will be in 7/6/17 from 7am to 2pm. We didn't see any cameras in the front of the store which would show the parking lot, Springfield Ave or Mattis Ave.

This Is It furniture wasn't sure if they had outside cameras and said they would call Detective Hetrick. We did not see any cameras in the front of the store that would see Springfield Ave or Mattis Ave. they did have one

Incident Adr: 02013 S ORCHARD ST Apt # D X STR GEORGE HUFF URBANA			Title of Report: STORAGE UNIT CANVAS
Officer Injured:	Use of Force: N		

NARRATIVE

On 07/07/17, I Detective Sandage #158, followed up on four area storage units that have not been contacted.

I first drove to Devon Self Storage located at 1408 W Anthony Dr. in Urbana. I spoke with owner David Howie [REDACTED] who stated he has already talked to several officers including the FBI. He confirmed that he has no cameras on the property and Christensen has never rented from him.

I drove to a storage facility on N Lincoln Ave. in Urbana owned by Cross Construction. I relocated to Cross Construction Office located at 3615 N. Countryview Rd. in Urbana and spoke with the office manager. She advised me that the storage units on N Lincoln Ave have not been publically rented for several years and are now only used from Cross Construction storage. She confirmed there were no cameras at the storage units.

I made several attempts to call the number associated with Kerr St. Storage [REDACTED] at 1032 E Kerr in Urbana. I was unable to make contact with anyone and the number did not allow for voicemail messages. I did not see a office for the units and did not see any cameras on the property.

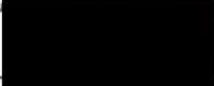

I drove to Closet Space Self Storage, located at 2006 S Philo Rd. The business was closed so I called the number associated with it (877-404-lock). I confirmed that Christenson has never rented a unit there and they don't have working cameras on the property.

NARRATIVE

On 08-10-2017 at approx. 0945 hrs. I, Sergeant Gene Moore along with Det. Ryan Lepp, and Recruit Officers Daniel Leake and Jacob Gibson attempted to meet with residents of Stonegate Apartments, Building "B" missed during the initial canvas.

I was given a spreadsheet containing the tenants who had not been spoken to previously. The following information is based on names listed on the attached spreadsheet.

██████████ graduated in May and returned to Chicago, IL spending the summer with her family. She didn't return until June 1st. She has lived there for approx. 2 yrs. yet doesn't remember meeting or seeing Christensen or his wife. ██████████ was not cooperative in answering very basic questions leading me to believe she did not want any involvement.

██████████ are co-signers to the lease, not residents.

██████████ - ██████████ had never spoke to Christensen or ██████████. She did remember seeing him on numerous occasions walking in or out of the building, but never noticed anything peculiar. When she saw him he was generally alone, but on occasion was with a female presumed to be ██████████. ██████████ was at work from 1300 - 2130 hrs. on June 9th.

██████████ - has not lived in the apartment since May. He does

occasionally stop by, but was not present on June 9th.

[REDACTED] - is a co-signer to the lease, not a resident.

[REDACTED] - had never seen Christensen before. Their apartment is on the opposite side of the building so they use the south entrance. [REDACTED] had seen Christensen's [REDACTED] (based on her photo) once in the laundry room, but never spoke. They were attending a wedding on June 9th and were not home.

[REDACTED] - had met Christensen in passing and always alone. She did see him walking around late at night on the south side of the building, but nothing out of the ordinary.

[REDACTED] - [REDACTED] daughter initially met Christensen on June 28th, 2017 while moving in to the apartment just prior to his arrest. [REDACTED] described bringing boxes into the apartment sometime after 2300 hrs. and Christensen offered to help her, but she declined. She otherwise only saw him in passing. She described him as socially awkward, a little odd and appeared to be kind of timid.

[REDACTED] - [REDACTED] daughter had never seen Christensen.

[REDACTED] - [REDACTED] Children to [REDACTED] already spoken to.

[REDACTED] - Have lived in the building since Oct. 2016 and have never seen Christensen or [REDACTED] [REDACTED] worked until 1800 hrs. on June 9th and didn't hear or see anything out of the ordinary upon returning home. [REDACTED] [REDACTED] played in the small grassy area/park near Christensen's apartment window on numerous occasions with her [REDACTED] son. She didn't recall ever hearing or seeing anything coming from the apartment. [REDACTED] said there was never an indication of any thing being wrong.

[REDACTED] son.

[REDACTED] - is a co-signer to the lease, not a resident.

I placed my field notes from the canvas and those of Det. Lepp into evidence as E-50991.

There is nothing further.
